

Greetings!

For those of you that don't know us, we are a local Western North Carolina band based out of Brevard, Black Mountain and Asheville. We have been a band since 1974 and played over 30 gigs in 2014. We are often seen at Shindig on the Green and many area festivals. We have released three albums including our newest – Branching Out and have been featured in many promotional videos for Transylvania County and the Blue Ridge Music Trails.

We wanted to introduce you to the Crooked Pine Band and would like for you to consider us for any of your events that would benefit from live, acoustic music. Our versatility as a 4 piece group can cater to your needs and the needs of your clients. We can give you a mountain music show with vocals, guitar, banjo, mandolin, bass, harmonica and fiddle, or can simply provide instrumental background music if preferred. Banquets, pig pickings, barbecues, social events, etc., can be turned into a memorable event with the Crooked Pine Band. We also work with many area dance callers and can provide you with a night of traditional and/or contra dancing.

In order to help you in planning and in selling your clients on using Crooked Pine, we would like to give you our fee information:

- Base price of \$200 per musician (4 musicians including guitar, banjo, or mandolin, bass and fiddle) \$800 minimum - base price includes (2) 45-minute sets with a 10 minute break in between (i.e., 2 hours of music with a short break in between sets).
- Each additional hour is \$100 per hour per musician.
- If long distance travel is involved, a reasonable fuel/travel fee might be needed.
- Dance callers contract their own fee, but average \$200 minimum per event.

\*If our rates will not work with your event budget, please do not hesitate to contact us. We will be happy to try and negotiate and work with our needs to make your event a success.

\*\*Sound system is not included in fee. We can provide an outstanding sound system at a base price of \$100 depending on the size of the job. Please contact us for more information if needed. Call Craig Bannerman at [828-776-4432](tel:828-776-4432).

We appreciate your time in considering us for your musical entertainment needs! A Promo Kit and CD can be sent out upon request if you would like a better idea of our sound. If you have any questions please feel free to contact us.
